HOW TO GET ON VACATION

A woman with short brown hair, wearing a bright pink two-piece bikini, is captured mid-jump into a river. She is seen from behind, with her arms slightly out and legs bent. The water is a vibrant green, and white foam is visible at the point of entry. The surrounding environment is lush with green foliage and rocks along the riverbank.

YOUR DISCOVERY MEMBERSHIP

As a Club Wyndham Discovery Member, you will receive a set of points. Your points are like currency, used to book all of the exciting vacation options available to you. You can start reserving your vacation as soon as the first date indicated on your Club Wyndham Discovery Membership Agreement. Your membership extends 24 months from your enrollment date.

- As a Club Wyndham Discovery Member you may make travel plans up to 10 months prior to your requested check-in date.
- Any points not used will expire 24 months from your enrollment date.
- Club Wyndham Discovery Resorts are subject to change.
- Your Club Wyndham Discovery membership is not transferable.
- If you would like to travel in advance of the first date indicated on your Membership Agreement, you may be eligible to move up that date. Contact a Discovery Vacation Guide to discuss if you have met the minimum financial requirements to reserve a vacation in advance of that date.

REQUESTING YOUR RESERVATIONS

RESERVATION TIMELINES

Standard Reservation Period

The Standard Reservation period is 10 months to 2 months before check-in. This is when the flexibility of the Club Wyndham Discovery program comes into play. During the Standard Reservation period, you can request a reservation at any Club Wyndham Discovery resort for any unit size, during any season. For that reason, this is our most popular reservation period. The following guidelines apply during the Standard Reservation period:

- During all seasons, there is a **3-night minimum** and 14-day maximum required for all Club Wyndham Discovery reservations. You may check-in on any day of the week. *
- Some resorts require check-in on specific days and/or 7-night stays at all times. Please refer to the individual points chart to determine requirements.

If, after making your reservation, you're left with a small amount of points in your account, but not enough for an additional night, consider renting the points you need to stay an extra night. It's an inexpensive way to extend your stay and get the most vacation fun for your points.

Express Reservation Period

An Express Reservation is a reservation made between 2 months and the day of check-in. During the Express Reservation period you can request a reservation at any Club Wyndham Discovery resort location, for any unit size, during any season. And to make it even more flexible, the following additional benefits apply:

- You may request a reservation for a minimum of 3-nights and a maximum of 14-nights, during any season.

- You may rent points at the cost of \$12 per 1,000 points. (Please refer to section marked Renting Points on page 210.)
- Reserving a last-minute getaway, 2 months or less, is a fun and exciting way to travel. But remember, the availability will be less the longer you wait to make your reservations, especially for holidays and high-demand times. So when you are requesting an Express Reservation, have some alternative dates and locations in mind.

RESERVATION CONFIRMATIONS

Our preferred method of sending reservation confirmations is via email. We ask that you please keep your account updated with your current email address.

You will receive an email confirmation within 48 hours of making your reservation. Should you not have an email address on file with us, you will receive a written confirmation letter by U.S. Mail within 10 business days of making your reservation.

Your confirmation will include information about your reservation, unit and resort features, area attractions, and driving directions to the resort.

CANCELING A RESERVATION

We encourage you to make your vacation reservations as far in advance as possible, when availability is greatest. We realize that sometimes your plans change, and you may need to cancel your vacation. To cancel a reservation, contact one of our Club Wyndham Discovery Vacation Guides at 800-251-8736 option 1 then option 2. VIP Members may call 866-313-8545. The following cancellation policy applies to all resort reservations:

For reservations cancelled 15 days or more prior to the check-in date, the points used for the reservation will be returned to your account as Club Wyndham Discovery points. These points expire 24 months from your enrollment date.

For reservations cancelled less than 15 days prior to the check-in date, 100% of the Club Wyndham Discovery points used for the reservation will be forfeited.

CHECKING INTO THE RESORT

Arriving for vacation is an exciting time and we look forward to welcoming you to our resorts. Our resort staff is committed to providing you a smooth check-in and a wonderful vacation experience!

Before you arrive:

- If you would like additional information about a resort, please contact your resort Guest Services at the phone number provided on the resort page.
- Please make certain all your Member fees are current prior to the time of check-in at the resort.
- The Member checking in must be at least 21 years of age with a valid ID.
- A credit card pre-authorization or cash deposit is required at time of check-in.
- Standard check-in time begins at 4 p.m.
- If you will be checking in late, please notify the resort of your late arrival and check-in **no later than 48 hours** after your scheduled arrival date. Failure to do so may result in the cancellation of your reservation without notification and forfeiture of all Club Wyndham Discovery points associated with your reservation.
- At our resorts, we require that the name of the individual checking in matches the name on the reservation.

- As pets are not allowed at our resorts, Members traveling with pets are encouraged to contact Guest Services at the phone number provided on the resort page for area boarding options.
- Service animals that are trained to work or perform tasks for the benefit of an individual with a disability are welcome at all Wyndham-managed locations.
- To find more information about a resort, visit the resort home page on myclubwyndham.com.

While at the resort:

- Maximum occupancy limits at the resort are strictly enforced.
- Checkout time is 10 a.m. unless otherwise noted. All resorts enforce a late checkout fee for anyone checking out past the designated checkout time.
- All resorts managed by Wyndham Vacation Management, Inc. have a voluntary non-smoking policy in the units and buildings. In addition, most resorts have implemented a mandatory non-smoking policy. This information will also be included in your confirmation letter.
- We would like to remind you that any damages to the unit are the responsibility of the Member.
- Please remember that room views are not guaranteed and the resort reserves the right to assign units of the same type as confirmed with your reservation.
- If you decide to leave early, it will result in the forfeiture of the remainder of your reservation and no Club Wyndham Discovery points will be returned to your account in accordance with the Club Wyndham Discovery Cancellation Policy.

RENTING POINTS

If you do not have enough points to complete your reservation, you may rent additional points for a fee. The following guidelines apply:

- When you are requesting a Standard or Express Reservation, you may rent additional points as needed to complete a portion of the last night's reservation only, at a cost of \$12 per 1,000 points.

EXAMPLE: If you have enough points in your account to reserve 6 nights with points remaining, but not enough points left for the 7th night, you may rent the additional points required to complete the 7th night's stay.

- When you are requesting a Standard Reservation for a Land & Sea Cruise Option, 10 months to 2 months from the date of travel, you may rent additional points as needed to complete a portion of the last night's reservation only at a cost of \$12 per 1,000 points.

EXAMPLE: If you have a remaining balance of 190,000 points and you wish to book a Land & Sea Cruise Option that requires 196,000 points, you may rent the additional 6,000 points at a cost of \$12 per 1,000 points.

- If you cancel a reservation made with rented Club Wyndham Discovery points, in accordance with the cancellation policy you will receive a refund of those fees spent to the original source of payment.
- Renting additional points to complete the final night of a reservation is the best way to get more vacation without letting any of your points expire.

- Members who choose to upgrade their room or cabin accommodations may do so for an additional cost to Member, payable in points. Please note that the availability of the destination may vary. - When you are requesting a Standard Reservation for a Land & Sea Cruise Option, 10 months to 2 months from the date of travel, you may rent additional points as needed to complete a portion of the last night's reservation only at a cost of \$12 per 1,000 points. Example: If you have a remaining balance of 190,000 points and you wish to book a Land & Sea Cruise Option that requires 196,000 points, you may rent the additional 6,000 points at a cost of \$12 per 1,000 points.

FREQUENTLY ASKED QUESTIONS

When can I start using my points?

The Start Date listed on your Membership Agreement can be immediate or up to 6 months from the date of purchase, depending on when you meet the minimum financial requirements for travel. You are eligible to request reservations up to 10 months in advance of your requested check-in, so it is not necessary to wait until your Start Date to begin vacation planning.

What is the significance of my “Start Date” and “End Date”?

You may travel during the time period between the Start Date and End Date listed on your Membership Agreement. This time frame indicates when you are eligible to travel using your points. Please note that since all travel must be completed by the End Date, we may contact you periodically to assist you in vacation planning as we want to ensure that you receive maximum utilization of your points.

If I want to travel before my Start Date on my Membership Agreement, what do I need to do?

Just call us! Contact the Club Wyndham Discovery Planning Center and we can assist you with meeting the minimum financial requirements needed for travel eligibility.

If I meet the minimum financial requirements early and I choose to travel before the Start Date listed on my Membership Agreement, will it affect the End Date?

Yes, if you meet the minimum financial requirements in advance of when they are due and make travel arrangements prior to your Start Date, your End Date will now be determined by the date you made your reservation.

How far in advance should I request my vacation?

The sooner the better, as all reservations are based upon space availability. In fact, we can get started during your initial activation call! As a rule, holiday, summer and special event time periods require more advance planning than other times. Members may begin confirming reservations during the Standard Reservation period, beginning 10 months in advance of the check-in date. Express Reservation requests may begin 2 months in advance of the check-in date and require flexibility as availability of this inventory can be very limited so close to the check-in date.

When is the best time to call?

Although we always answer member calls as quickly as possible, we do experience the greatest call volume on Mondays, the days following holidays and late in the afternoon, Eastern Time. Remember most of your servicing needs can be handled through one convenient toll-free number, 800-251-8736, option 1 then option 2. VIP Members can call 866-313-8545.

What if I need to correct or update my personal information?

You can update your personal information online in the My Membership section of *myclubwyndham.com*. You can also give us a call and we will update our records. Please be aware that some changes may require additional legal documentation. In order to maintain the confidentiality of your records, we only allow Members who signed the Membership Agreement the ability to request reservations and related benefits.

Do I receive all the same benefits as Club Wyndham Plus Members?

Many of the destinations included in the Club Wyndham Plus Membership program are also available to Club Wyndham Discovery Members. However, because this is a trial membership program, the benefits available within this program are limited compared to the benefits provided to Club Wyndham Plus Members.

How strict are the occupancy levels?

Occupancy levels are strictly enforced. Due to safety, fire and legal requirements, you are allowed the maximum number of people to occupy the unit.

Why are there some Club Wyndham Plus properties that Club Wyndham Discovery Members cannot travel to?

Since your Membership is a trial membership program, only certain resorts are available to Club Wyndham Discovery Members for reservations. The Club Wyndham Discovery resorts available for you to travel to are those that have the resources to further explain the many owner benefits available through the Club Wyndham Plus program.

How can I get more points?

You have the opportunity to rent additional points to complete a reservation. Please refer to page 210 for more details.

Can I check availability and book reservations online?

Yes, Club Wyndham Discovery Members have full access to *myclubwyndham.com* for booking reservations.
